

# COPHORNE HOTEL AUCKLAND CITY

## COPHORNE HOTEL AUCKLAND CITY

There's always plenty to see and do in this vibrant, exciting city and Cophorne Hotel Auckland City's location and great motorway access makes it all so easy to get to.

Cophorne Hotel Auckland City sits high on a cliff; from your private balcony the city sweeps down to the Waitemata Harbour.

Everything about this 4 star hotel is aimed at making your visit as stress-free as possible; from easy motorway access and a 5 minute walk to the designer shops, clubs and theatres, to inspirational views and exceptional attention to detail.

All guest rooms feature noise reduction glazing to help ensure a great night's sleep. Luxuriously large shower units in the bathrooms provide an exhilarating body jet shower experience. High speed Internet access is standard in every room.

*Superior King Room*

## ACCOMMODATION

110 guest rooms, including 4 spacious luxury suites, provide the standard of accommodation you expect from an international 4 star property. Our business rooms are fitted with smart, contemporary-style work units strategically placed to take advantage of the spectacular city and harbour views.

All guest rooms feature tasteful, functional furniture and fittings, noise reduction glazing, superior bathrooms, broadband Internet access, Sky TV, minibar, direct dial telephone, tea and coffee making facilities, iron and ironing board and hairdryer. Interconnecting rooms, non-smoking rooms and rooms for guests with disabilities are available on request.

Accommodation	Number of Rooms

# CONFERENCE AND BANQUET FACILITIES

Copthorne Hotel Auckland City Fergusson Centre consists of three individual air-conditioned conference rooms with floor to ceiling windows capturing natural light or alternatively all three conference rooms interconnect to create a floor space of 135 sq metres. The Fergusson Centre's versatility, catering from 10 to 120 guests, makes it the ideal venue for training seminars, workshops and board meetings, through to product launches and banquet dinners.

All modern equipment is available and we can access the latest in audio-visual technology on request. We offer a fax and photocopying service and can arrange full secretarial facilities. The hotel provides a high standard of catering and can meet special dietary requirements.

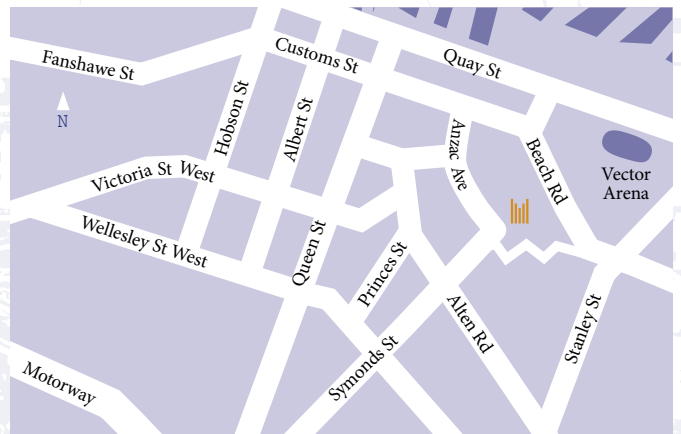

We can offer your participants accommodation; including standard or premium, twin or double rooms as well as premium suites with a detailed rooming list. We take pride in our work so that we can ensure that our service standards successfully meet your expectations.

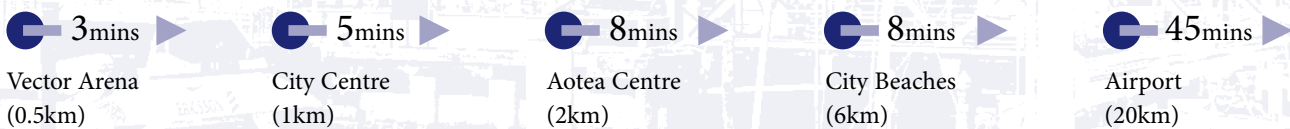

MAXIMUM ROOM CAPACITIES
