

# Stay Assured

and the savings are guaranteed!

Millennium Hotels and Resorts recognises that small to medium sized businesses have differing requirements. We believe our new preferential rate programme 'Stay Assured' is a solution to your business travel needs.

Our 'Stay Assured' rates mean that your valuable time is not wasted searching for rates, and ensure you will receive the best available flexible rate when you stay with us - every time.

Do you want...

- Assured rates
- Assured flexibility
- Assured privileges

If you answered yes to any of the above – 'Stay Assured' is for you! You will benefit from a preferential discounted rate that can be lower - but not more than the best available rate of the day. This is our assurance to you - and there is more: reservation flexibility, no cancellation fees and variable programme privileges such as a complimentary drink, discounted breakfast rate and late check-out.
